PRELIMINARY AMENDMENT

Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

Prior to examination of the above-identified patent application, please enter the following amendments to the claims:

18. (Amended) A method of producing a seal assembly having a seal ring, comprising the steps of:

mounting the seal ring on a holder;

positioning the seal ring in alignment with a media blaster;

rotating the holder;

forcing media from the media blaster, toward the seal ring, and into contact with selected locations on the seal ring to thereby form hydropads at [the] selected locations [with] on the seal ring; and

mounting the seal ring in the seal assembly.

Cancel claims 19 - 22.

A 2.  
24. (Amended) A method as claimed in claim 18 [22], further comprising the step of stopping the media blaster after a predetermined time from said [starting] forcing step.

REMARKS

The undersigned attorney is available for a telephone consultation at any time.

Respectfully submitted,

Kevin P. Moran  
Reg. No. 37,193
